

**SUSQUEHANNA TOWNSHIP BOARD OF SUPERVISORS MEETING**

**April 27, 2017**

The special meeting of the Susquehanna Township Board of Supervisors was called to order by Chairman Dennis Brown on April 27, 2017 at 7:00 PM at the Township Office Building on East Village Drive. In attendance was Supervisor James Surfield, Supervisor Michael Steinbacher and Graffus Johnston.

**OPENING STATEMENT:**

Jim Surfield stated that he had reapplied for the grant to do Pfirman Road with the Conservation District Dirt and Gravel Roads program. He said that because you can't apply for a grant if the project is already completed he had to change the dates that Pfirman Road was to be done. The grant committee will not meet until July to decide what projects will be approved and which ones will not be approved. Jim said he sent an addendum to all the contractors that had asked for a bid proposal informing them of the new dates for Pfirman Road. The project states work not to start before September 15, 2017 and be completed by October 31, 2017. The addendum also included that the contractor doing Pfirman Road will need to give a one week notice of the date and time this work will be done so that property owners can be notified

**OPENING OF BIDS:** The bids for the Dirt and gravel roads projects were opened with the following results:
