**Chairman’s report - Dennis Brown**

There was a special meeting on December 27, 2017 to approve the final the budget for 2018.

Brown wants to clear up Alan Feist’s accusation that the Township violated a right to know request. When it was brought up at an earlier meeting the board did not respond immediately. Brown and Surfield make the statements that all the information that was requested was in fact given to him. Our attorney also has copies of everything that was sent to Feist. Feist does not agree.

**Road Master - Mike Steinbacher**

We have several projects we are talking about, Pfirman Rd., Nisbet Terrace, and Hillside Dr in 2 different areas. Larson Design will be consulted for some advice and guidance on these projects.

We are good on salt and sand stone will be switched back to antiskid. When it is ordered we will ask for a copy of their State Certification when it is delivered.

**Park Report – Mike Steinbacher**

There is no report at this time.

**Old business**

The ordinance for a speed limit on Pfirman Road is on the table, so it will be advertised and voted on at the February meeting. Signs will be ordered for a 25 MPH speed limit.

There is nothing to report at this time.

**Fire Company Report - Mike Steinbacher**

Jim could not be here tonight but he sent the report to Steinbacher. There were 18 calls, 6 medical, 1 assist for Wmspt Police, Candy Cane Lane traffic, and suspicious odor. They are doing some incident and safety training.

Highlights of 2017: 139 alarms, May 1<sup>st</sup> storm, replaced all the radios with a regional grant, replaced the engine in service, lowered the ISO rating, they secured a \$10,000.00 state grant.
