Chairman’s Report – Lynn Hill

CoStars membership is up for renewal. Last year we had our tonnage at 80 tons for 2024-2025 contract year and the supervisors decided that for the 2025-2026 contract year we will keep it at 80 tons. Deadline is March 15th. Participation contract was submitted.

Lynn would like all the transactions and reports to the auditors by March 15th. Sherry said it could be done.

He also asked about continuing the weed control by Erhlich. They all agreed.

Road Master - Mike Steinbacher

Tomorrow there is another storm coming so we will probably be using more salt.

Mike said there are no major road projects. He wants to look at the roads to see what needs repaired or crack sealed.

When the weather breaks Mike wants the drainage ditches looked out and cleaned. The bottom of Bertin Heights needs the barriers/blocks set up.

Park Chairman – George Berninger

Nothing going on in the park. Everything looked good as he walked through the park.

Old Business

There was no old business to discuss.

New Business

Lynn talked about the allocation up to \$10,000.00 to the Fire Company for help with their boiler that has failed. The withdraw of the money will be from the fire equipment replacement fund.

Lynn went over the Fire Company Events for 2025. Ham Dinner March 8th, Tractor Pull August 8 – 10, Ham Dinner November 8, Community Easter Egg Hunt April 12, Gun Raffle September 20, and Friday Night Bingo Independent/Nisbet. Steinbacher made a motion to approve the events and Hill seconded.

Lynn wants to recognize Mark and Rob for the phenomenal job they do on the roads. The supervisors wants to say thank you to them. And George wanted to make sure he also was heard to thank them for a great job. Lynn likes the fact they do it on their own and no one has to tell them what to do or when to go our they are prepared and know their job.
