Chairman’s Report – Lynn Hill

Lynn said he did not have a report. Everything is going along as it should. One thing to mention is that we purchased the salt spreader and they will store it for us until we need to install it in September.

Lynn will try to contact the gentleman from MunicBid to sell the orange spreader that’s down at the building.

Road Master - Mike Steinbacher

Mike did not have much of a report either. He said that now that the rain has stopped they will get caught up mowing the berms and cleaning ditches.

The blocks are here and set for the gate and the ones that go on Valley Rd Bridge are there waiting to be set.

Park Chairman – George Berninger

George reported that he walked through the park and Chris is doing a good job at keeping up with the mowing and cleaning up limbs even with all the rain.

Rental on Saturday and Chris will be down to make sure it is ready for the rental.

Birds and bees need to be taken care of. The birds are being taken care of.

Lynn asked about the roof on the salt bin leaking. Mike agreed that something to be done to repair. They will call Keith to come look at it.

Old Business

Security cameras should go in this week. Lynn will contact them.

The audit is complete. There are a few things that Lynn wants to make sure are done. Making sure there is an invoice for every bill and not paying off the statements. Liquid Fuels was approved and we are just waiting for it to come in.
